Kennedy & Co - Top 100 in Australia!

Kennedy & Co has confirmed its place at the head of the accounting industry, with a strong showing in this year's Business Review Weekly "Top 100 Accounting Firms" survey.

Kennedy & Co placed 89th in the national top 100 list and is one of the handful of South Australian firms who figured prominently in the overall rankings.

“These results represent a significant achievement for a firm from South Australia. We are very proud of this organisation and of our position locally and nationally and we continue to benefit from the commitment and expertise of our staff and the loyalty of our clients,” said Kennedy & Co Managing Partner, Mr Paul Jørgensen.

“This is also a very pleasing outcome for South Australia and points to a strong and growing region and the opportunity for future expansion.” said Mr Jørgensen.

With more than 12 years experience, Kennedy & Co combines a tradition of business expertise with innovative thinking and state-of-the-art systems in a dynamic commercial environment. Kennedy & Co provides services in Accounting, Taxation, Litigation Support, Auditing, Business Advisory Services, Information Technology, Insolvency Services, and Forensic Accounting to a client-base that is rapidly expanding within and beyond South Australia.
